B. DRAWINGS AND OTHER INFORMATION PROVIDED

None with this Addendum.

C. VENDOR QUESTIONS AND ANSWERS TO QUESTIONS

- Q1.** On EAV203 drawing, provided via Addendum 2. It shows 3rd floor room locations with A/V descriptions in the drawing. Will we be required to provide anything for these rooms? If yes, can we get a clarification on the room system Type to be provided?

Answer: The third floor is shell space and not included in the scope of this RFP.

- Q2.** Will we be required to provide ANY floor box covers or wall box blank covers.

Answer: Floor box main covers are provided in the electrical contract. Provide blank plates to cover any unoccupied compartment of a floor box. Blank coverplates for wall boxes were included in the electrical specifications, and are not required in the scope of this project.

- Q3.** Are we to provide any other internal parts for the floor boxes where we are providing the finished inserts with source connections?

Answer: No. Only provide connector plates or blank plates. Other components, such as conduit fitting accessories, dividers, or main covers should be provided under the electrical contact.

- Q4.** In area room 2C07/238 (now 200) (Type 9), on EAV202C drawing, it shows a "NEW" 4th location for a display (same wall and to the right of the cluster of 3 displays). Will we be required to provide this new 4th location?

Answer: Yes, provide system type 9 in this location.

- Q5.** In Type 8 rooms for Distance Learning Classroom. We have been told that we are NOT to provide any longer. Will we be able or required to provide any of the A/V equipment for these rooms? If we are required to provide anything, can we get a clarification for what will be needed?

Answer: No, nothing is required in the Type 8 rooms. These rooms will be installed by others.

- Q6.** Indicated as AV200 series, it would appear as we are missing a drawing or two. Are there more drawings relevant to the AV RFP that we are missing?

Answer: No, all of the drawings have been included. Some of the system types do not have a one line diagram and are described in the narrative and specifications.

- Q7.** With regard to AC Power Strips, AC Power Conditioners and AC Power sections are we to provide AC Power Sequencers if the Crestron equipment and controller programming/interfaces is taking care of the power sequence function?

Answer: No, sequencers are not required when there is a control system processor present.

- Q8.** In, Type 6 & Type 7 rooms (Drawing EAV202B), there are "wall mounted touch screens" indicated in old room #214, 216 and 218. In room 217 there is no indication. On system drawings AV203 & 204, the Touchscreen is seen as a table top unit. Can we get a clarification of the Touch screen type in these rooms?

Answer: Please provide desktop touch panels.

- Q9.** In the drawings there is a reference to furniture millwork equipment to be provided. While there was an answer to the Q17 on Addendum#2 questions, we need a clarification on the TYPE of equipment enclosures listed in the RFP16141 PAGES 43-44 for Part 2.01 Paragraphs A,B,C,D.?

Answer: Paragraph B refers to standard floor-standing metallic equipment racks. Paragraph C refers to millwork credenzas with built-in equipment racks. Paragraph D refers to millwork lecterns with built-in equipment racks.

- Q10.** Are we to provide any type of lectern for room Types 1, 3 or 5? If so, what type per room?

Answer: No, podiums are not required for these system types.

- Q11.** The Type 6 rooms (new # 218 & 220) have ceiling speakers with the subscript #6 beside the symbol. What type of ceiling speaker is this to be being that the ceilings in this area are open to the deck? Should these not be pendant speakers as is Type 7 room new #216?

Answer: Yes, any room with an open ceiling where ceiling speakers are shown on the drawings shall receive pendant speakers.

- Q12.** RFP Pages 89 & 90 of 152, Part 2: Products, 2.02 Camera Equipment A – G: Is this only for cameras used in Type 8 Distance learning? Or are there other cameras to be provided?

Answer: Correct. Cameras are only for System Type 8.

Q13. Can we get a list of the rooms that have White boards that be provided or shall we provide pull down screens for all rooms that call for fixed screens?

Answer: This applies to all rooms that previously called for a fixed frame screen.
