State Government's Projected Fiscal Outlook

Presented by:

Mike McKown, Director  
State Budget Office  
July 2010

- Current National Budget Notes:

- California – multi-billion \$ deficit for FY11 (even after extreme budget measures taken in their FY10 budget), mandatory furloughs, 22,000 teacher layoffs, state aid to university system cut.
- Illinois – large pension payments delayed until FY11 – FY11 budget gap of \$11B.
- New York – deficits larger than WV’s entire governmental budget.
- Twelve States have exhausted their rainy day funds.
- States’ revenue growth the next 5-10 years – 1/2 the average of the past 30 years.
- FY2009 & FY2010 - First time that state spending has declined in back to back years.
- Worst budget years for states are the 2 years after the national recession is over.
